In Discussion All Day.

Karlstad, Sept. 18.—The Norwegian and Swedish delegates sat in conference yesterday from noon until two o'clock and from five until seven, at which time they adjourned until today.

The question of fortifications is still being discussed. Some unforeseen difficulties have appeared. It is expected that the discussions will be concluded Wednesday and the preliminary result will then be submitted to the Riksdag and the Storting. The Riksdag's approval of the result of the negotiations is sure, but that of the Storting is doubtful, especially if the Norwegian delegates yield on the questions concerning the forts.
